

Volunteer Opportunities!

Saturday, October 4, 2008

Marietta Square

You are invited to participate as a volunteer in the **Book Fair on the Square**, a signature community event to be held Oct. 4, 2008 on the historic downtown Marietta Square (Glover Park). The event is expected to draw thousands of families and people of all ages to the Marietta Square. Proceeds from the event will benefit the Cobb County Community Services Board's non-profit Center for Community Based Partnerships, Inc. which provides initiatives aimed at raising awareness and promoting inclusion of persons with disabilities. This year proceeds will specifically help to provide medications to those who otherwise cannot afford them in order to live healthy and full lives in the community. We will have numerous nationally known and local authors, book sales and signings, musical and other entertainment, a dynamic children's area with lots of activities; and a vendor/exhibitor area. It promises to be a full day of literary indulgence and fun for the entire family!
